Sep '08 - Present

SENIOR CREATIVE DIRECTOR / cipler

Hands-on design work, copywriting, and creative direction at a fast paced interactive agency level. Personally designed the world's first multi-touch website and won international awards for design. Managing a team of designers to create photography, art, design, motion, interactive, branding, and identity work for a range of clients including Toyota, Avril Lavigne, Von Dutch, Upper Deck, COPS, Jeremy Piven, Dune Novels, Cigar World, The Verminators, Kidsongs, Cotton, Holiday Inn Express, and The Directors Guild of America. Directing and performing photoshoots, creating web shows, interfacing and presenting to clients, managing deadlines, working with multiple mediums including web, mobile, multi-touch platforms, and print.

Jul '07 - Aug '08

GRAPHIC DESIGNER / spartan internet consulting

Branded and designed assets for multiple companies. Worked as lead designer and copywriter on all top priority projects. Clients include Golder Associates, Michigan State University, Integrys Energy, Lansing Community College, Spartan Sports Network, Michigan State Police Troopers Association, Equineline, and the Michigan State Alumni Association. Often taking offline brands and translating them online.

Aug '03 - May '07

DESIGNER/DEVELOPER / vuDAT MSU

Worked with many faculty and organizations to develop online education platforms for students and professors to communicate virtually. Developed a file storage application interface, design, and user experience for students and faculty to share information and documents.
